## Twisted Storage CEO to Speak at Boston Silver Lining Cloud Users Group

**West Newbury, MA – May 1, 2009** Twisted Storage announced today that its founder and CEO Dr. Charles Wegrzyn will be presenting at the June 9<sup>th</sup> meeting of the Boston Silver Lining Cloud Users Group.

Dr. Wegrzyn will present a historical perspective on enterprise cloud storage that provides the perspective to understand recent and forthcoming developments in this space.

The Boston Silver Lining Cloud Users Group is a technology-focused group in New England that gathers to discuss issues and opportunities which include innovation, standardization, security, privacy, cloud computing, tech investment and other trends that arise.

### **About Twisted Storage**

Twisted Storage, Inc. is the developer and provider of Twisted Storage software - software that converts multiple storage repositories, legacy or green-field, into a single petabyte-scale cloud for unstructured data, digital media storage, and archiving. The Twisted Storage Enterprise Cloud provides federated search, electronic data discovery with lock-down, and policy-driven file management including indexing, retention, security, encryption, format conversion, information lifecycle management, and automatic business continuity.

Twisted Storage is headquartered in West Newbury, Massachusetts and is privately held. For more information please visit [www.TwistedStorage.com](http://www.TwistedStorage.com). Press contact: Stevan Vigneaux at [Stevan@TwistedStorage.com](mailto:Stevan@TwistedStorage.com) or 508-878-7484.
